The All India Congress Committee have requested the Mysore State Congress Committee to send 50 volunteers from Bangalore District for service at the Belgaum Sessions of National Congres Till now some 41 persons have given their names, but the Mysore State Congress Committee are not willing to bear the expenses and clothing charges of all the volunteers and they have requested the volunteers to bear their own charges for up and down journeys and for their kit etc. Most of them are unwilling to proceed under these conditions. As the volunteers proceed by train their departure will be intimated. This course is adopted as it is uncertain which of these 41 volunteers proceed and which do not.

As per orders I attended the meeting. The meeting commenced at about 6.10 P.M. and lasted till 7.30 P.M. About 250 persons collected. Mr. Bhima Rao introduced the lecturer and Miss Campbell addressed the gathering for about an hour in Urdu on the evils of drink. She gave a very good speech and impressed on the minds of the gathering that drink is a prohibited thing, it is prohibited by all the religions in the world. She also said that drink is not only injurious to health, it brings on poverty into the family. She appealed to the gathering to see that India is dry as America is today. She said it lies in the hands of the people to stop this evil and if the people are ready the Government will come to their help.

Mr. Bhima Rao closed the meeting with a few remarks and said that the Bangalore Swarajya Party has presented a memorial to Dewan Saheb requesting him to pass orders to remove all the drink shops outside the City limits and he is hopeful that orders will soon be passed. Saying so he closed the meeting.
